

PARTNER SOLUTIONS E-NEWSLETTER

ATTRACT ATTENTION TO YOUR PRODUCT OFFERING

Our Partner Solutions eNewsletter is customized using your content and product images to tell your brand story to 40,000 building owners and facility management professionals.

MATERIALS

All we need is:

- Your company logo (eps format)
- Hero product image, 580 pixels wide x max of 315 pixels high, 30k, 72 dpi
- Body copy in Word doc., 150 words max.
- Product photos, 3 images, 280 x 280, 30k each, 72 dpi
- Click-thru URL

You provide the materials and we will do the rest. This custom email offering is a responsible digital campaign with an easy to track ROI. Shortly after your e-newsletter campaign you will receive a comprehensive performance report including total number sent, open rate, and clicks, plus detailed information for those who clicked, including company name, address, phone, email, contact name, and title.
