

Sponsored Links

Excellent exposure for your product or service on every page of BUILDINGS.com

BUILDINGS Web site users are building owners, developers and facilities managers who construct, modernize and manage facilities in the corporate, government, institutional and industrial markets. These decision-makers have massive buying power. With a sponsored link, you can tell your story to the visitors searching for product/service information on BUILDINGS.com each month, helping you build awareness and drive traffic for your brand.

With your sponsored link, all we need is your 150-character text write-up and your company or targeted URL (your text links directly to the URL provided). Your sponsored link will be featured in a module that will appear at the bottom of each page on the BUILDINGS.com. Your sponsored link will be tracked by DFP Premium.
